LEVEL

By

Stanton

Luxury Level by Stanton, a premium line of motion sofas and recliners made from top grain leathers featuring zero gravity mechanisms and extended footrests are now available. These imported luxury goods have the same limited lifetime warranty that customers have come to expect from Stanton.

Please contact your salesman directly with any questions you may have regarding Luxury Level.

Thank you

A new way to relax

Features Extended Footrest

Stanton is excited to introduce our new Cloud Zero reclining mechanism currently available on most of our new Luxury Level pieces. Stanton Cloud Zero items are a brand new level of comfort designed to alleviate the everyday aches and pains. By positioning the user in a neutral position with the legs and heart in line with each other, Cloud Zero gives an almost weightless feel while lending to many benefits on the body including but not limited to the following :

Eliminate Spinal Pressure

By shifting the body into a neutral posture, you are reducing the forces of gravity acting upon your spine and vertebrae, helping to reduce pressure and relieve pain.

Reduce Swelling

Raising the legs into a neutral position can help those suffering from swelling and inflammation in the lower body allowing for the lower body to rest more comfortably.

Tension Relief

By choosing a neutral position the strain and tension in the neck and shoulders muscles are able to relax and recover more effectively, reducing stress in the process.

Increased Circulation

As the body shifts into neutral posture, the heart is no longer forced to work against gravity to pump blood up from the legs, this leads to improved blood flow and better rest.

Reclining
Cloud Zero Chair

Length: 36"
Depth: 38"
Height: 41"
Seat Height: 20"
Seat Depth: 21"
Arm Height: 23"
Inside Width: 20"

Features:

Stanton's new "**Cloud Zero**" mechanism, providing the user a neutral sitting position by keeping the feet elevated so they are in-line with the heart, leading to better health and relaxation.

Extended Foot Rest - when fully reclined the foot rest will extend giving more foot space for taller individuals.

Power Recline and Power Headrest

350 Lb Weight Limit

USB Charging port charges electronic devices while relaxing.

Bold Shaped track arm with a cushioned pad over and decorative welt stitching.

Removable back making moving and transporting easier.

Available in Voyage - A two tone leather that gets its shades by applying a darker stain over a lighter color creating a natural aniline appearance. The softness of voyage comes from using a Korean garment tannage, where the hides are soaked in a softening agent for 24hrs vs the standard 8hrs used for furniture leather. This helps to create a softer leather without compromising the strength of the hide.

Seat Height: 20"
Seat Depth: 21"
Arm Height: 25"
Inside Width: 20"

Features:

Extended Foot Rest - When fully reclined the foot rest will extend giving more foot space for taller individuals.

•
Power Recline and Power Headrest

•
350 Lb Weight Limit

•
USB Charging port charges electronic devices while relaxing.

•
Luxurious traditional wing back recliner in full grain leather.

•
Removable back making moving and transporting easier.

•
Available in Corner Office - A true aniline leather that is hand stained after the furniture is upholstered. This creates a natural patina that offers a venerable, aged look that gives the appearance that the furniture has sat in a country club or lawyers office for decades. The leather is sealed to prevent any additional aging.

WARRANTY

Lifetime Limited Warranty

Frame and Spring Seat Base

Luxury Level by Stanton warrants the frame and seat springs of your furniture to be free from defects in material and workmanship under conditions of normal use as long as the original purchaser owns the product. Stanton will warrant the parts for lifetime and labor for three (3) years from date of original purchase.

Seat Cushions

Luxury Level by Stanton warrants the seat cushions against the loss of foam resiliency as long as you, the original purchaser owns the product. Please do not confuse loss of foam resiliency with softening. Cushions will soften through normal use and conform to the user's shape. This is normal and is not considered a defect. Collapsing is defined as a foam core losing more than 1" of its original specified height. The reduction in height is measured for the core only and does not include any Dacron wrap or feather jacket loss of height. Collapsing typically will be noticed within the first year. Stanton will warrant the parts for lifetime and labor for three (3) years from date of original purchase.

Filling Material in Back and Arm Pillows

Luxury Level by Stanton warrants the filling materials used in back and arm pillows against fiber breakdown as long as you, the original purchaser, own this product. All filling materials will soften and will settle slightly with normal use and therefore, pillows must be regulated (fluffed) as regular maintenance. Should you experience abnormal fiber breakdown, Stanton will provide replacement fiber. Stanton holds no responsibility for labor to replace or fill pillows.

Mechanism Warranty

Stanton warrants all of the reclining mechanism, including the handles, to be free from defects in material and workmanship under conditions of normal use as long as the original purchaser owns the product. Stanton will warrant the parts for lifetime and labor for three (3) years from date of original purchase.

Limited Warranty

Fabric / Leather

Stanton warrants fabrics to you, the original purchaser, for a period of one year against cracking, seam slippage, seam failure, fabric separation and dye transfers. Excluded in this warranty are customer owned material, fading, stretching, dye lot variation*, damage from household heat or humidity, damages resulting from any liquid, including but not limited to alcohol and water, pet use and heavy soiling. Any after-market stain treatment applied to the fabric voids the warranty. The Warranty is valid as long as the original fabric is available from the original fabric mill.

* Leather is a natural product, and, as such, no two hides are alike and each hide will reflect its own individuality. Some variations such as shade and tone are to be expected. Other natural leather characteristics such as healed scars, stretch marks, nicks, scratches, wrinkles, and pore patterns (grain) only occur in genuine leather and in no way should these characteristics be considered a defect.

Power Recline Warranty

Stanton warrants the motors, wiring, hand wands and all other electrical components to be free of defects in manufacturing and workmanship for five (5) years from date of original purchase. Stanton will warrant labor for three (3) years from date of original purchase.

Caution

Do not allow children to play on this mechanized furniture or operate the mechanism. Leg rest folds down on closing so that a child could possibly be injured. Always leave in an upright and closed position. Keep hands and feet clear of mechanism. Only the occupant should operate it.

Warranty Conditions

- Consumers Responsibility – the cost of all transportation involved with all warranty repairs is the sole responsibility of the original purchaser. All warranty claims must be processed through the original retailer.
- IN NO EVENT SHALL STANTON BE LIABLE FOR SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING PROPERTY DAMAGE, LOST PROFITS, LOSS OF USE OR OTHER ECONOMIC LOSS, NOR SHALL ITS LIABILITY EXCEED THE PURCHASE PRICE OF THE PRODUCT. Some States do not allow the exclusion of incidental or consequential damages, so the above exclusion or limitation may not apply to you.
- STANTON MAKES NO WARRANTY THAT THE PRODUCT WILL BE SUITABLE FOR YOUR FLOORING MATERIAL AND HEREBY DISCLAIMS ALL IMPLIED WARRANTIES OF THE MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE RELATED TO THE USE OF THE PRODUCT ON ANY PARTICULAR FLOORING MATERIAL.
- The recommended weight limit is 250 lbs. per seat (unless otherwise specified). If the recommended weight restrictions are not followed, the warranty will be void.
- This Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
- Dealers are not authorized to modify this warranty in any way. Stanton will not be responsible for promises not contained in this warranty.
- This warranty is made only for you, the original purchaser for personal home use, and does not extend to subsequent owners. This warranty does not cover merchandise which has been purchased second-hand, distressed, or “as-is”. If the product is rented or leased through an authorized Stanton dealer, the warranty is valid for the original purchaser and is not carried to subsequent owners.
- This warranty does not apply to any condition or defect resulting from negligence, misuse, abuse, alterations, fire, Humidity, home damage, improper cleaning, pet use or accidents.
- ANY AND ALL IMPLIED WARRANTIES OF THIS PRODUCT, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, SHALL BE LIMITED IN DURATION TO A PERIOD OF ONE YEAR FROM DATE OF PURCHASE. Some States do not allow limitations on how long an implied warranty lasts, so the above limitation on duration of implied warranties may not apply to you.

Basic Care of Leather Upholstery

With proper care, your Stanton furniture will retain its beautiful appearance and superior comfort for many years. We suggest that you observe simple care steps:

- Avoid placing furniture where it is exposed to direct sunlight or close to direct heat (including radiators, heating vents, skylights or windows). Direct sunlight and or excessive heat can cause fading and cracking of leather.
- Loose cushions should be turned periodically.
- We recommend dusting your leather furniture weekly with a soft, clean cloth or vacuuming with a soft brush attachment.
- Exposed wood should be dusted as needed with a clean, lint-free absorbent cloth.

Service

- To obtain service under this warranty contact the Stanton dealer from whom you purchased your product. Proof of purchase is required.
- Freight to and from the factory on parts and returns are the customer's responsibility.
- If the Item is considered under warranty, Stanton, at their discretion, will have the option of replacing or repairing the item.
- We reserve the right to refuse to repair any piece not returned in a reasonably sanitary condition (This includes pieces with excessive amounts of animal hair). This protects all of us from potential liability and exposing our employees to hazardous conditions.
